Re: Commitment to Connect ISD Facilities to City of Millsap Wastewater Treatment System

Dear Mr. French,

The Millsap Independent School District (“ISD”) hereby commits that, upon completion and commissioning of the City of Millsap Wastewater Treatment Plant (“WWTP”), the ISD will connect all ISD-owned facilities located within the City’s service area to the City of Millsap Wastewater Treatment System.

This commitment is made in support of the City’s efforts to construct and operate the new WWTP and to ensure the ISD’s facilities are served by the City’s wastewater system. The ISD will coordinate with the City during the construction and connection process to facilitate a smooth transition.

Approved and adopted by the Board of Trustees of the Millsap Independent School District on this ____ day of _____, 2025.

Sincerely,

Lori Beth Adkins
President, Board of Trustees
Millsap ISD

Attest:

Dr. Heather Hester
Secretary, Board of Trustees
Millsap ISD
