

**FARIBAULT
FALCONS**
ACTIVITIES FUND

Every student deserves a story.

Your generosity will help students in our community engage in Activities and Athletics that will impact their lives for years to come.

As you think back on your middle and high school years, there's likely an activity, a team, a coach, or a mentor that left a lasting impression on your life. Each of us has a story about those formative years and how they helped shape who we are today. **We want to ensure that every student in Faribault Public Schools (ISD 656) has the opportunity to create those same meaningful experiences.** Additionally, we are undertaking a 3-year campaign to raise \$1.656 million for district 656.

The endowment aims to restore and enhance funding for the Activities Department budget, reversing the effects of years of district budget cuts and bringing support levels back to where they once were. In the near term, this includes:

- **Restoring Coaching and Director Positions:**
Reinstating previously reduced or eliminated coaching and director roles to strengthen our teams and performing arts, providing better support for student participants.
- **Increasing Equipment & Supply Budgets:**
Expanding funding for activity supplies and equipment, which have remained stagnant despite rising costs.

Benefits of extracurricular activities:

- Increased connection to school
- Increase classroom performance
- Increased graduation rates
- Increased self-worth and self-confidence

Donate TODAY to make an impact on the lives of students. Scan the QR code to make your online gift.

"When I think of my high school teams, I'm reminded of how formative those experiences were for me. They helped me learn how to lead, taught me tenacity, and connected me with adults who impacted my life profoundly, second only to my parents."

LESLIE HOLMAN

Fund Advisory Committee Member & Faribault High School Alumna
