Return to School

Our orientation and open house for new students and their families was held on the evening of Thursday, August 6th. We had a 90% attendance rate for the 110 incoming freshman families. Thank you to Ms. Campbell, Mr. Guebert and Student Council for organizing the event. Students open the year with grade-level advisory meetings to set the standard and expectation for the start of a successful school year. RBHS enrollment for the 2026-27 school year is 395, with on-campus daily attendance of 371.

Extracurricular Activities

All RBHS students participate in an “activity fair” upon their return to school. During this time, athletic teams, clubs, and other extracurricular organizations are on display for students to browse and join activities of their interest. All students are strongly encouraged to find at least one activity to participate in. Our own in-house data show that students participating in at least one extracurricular are half as likely to earn a D or F in a class as their peers to participate in zero activities.

The fall sports season is officially underway. Season opening dates for our teams are:

Boys Golf – August 13
Girls Golf – August 15
Cross Country – August 24
Volleyball – August 24
Football & Cheer – August 21
