

Calendar Considerations for 2022-2023

The District's Site-Based Decision-Making Committee met, as well as solicited input from the campuses in order to develop two calendars.

The staff was polled based on their top priorities in order to get a clear picture of their preferences. The priorities results listed in order were:

1. Two weeks at Christmas
2. One week at spring break
3. One week at Thanksgiving
4. Long weekend each month
5. Ending the year before Memorial Day

With these in mind, we developed two final calendar options and sent these out to the staff again. **The poll results were: 269 participants; Calendar A - 116 and Calendar B – 153.**

Calendar A has the top three priorities and has a long weekend every month except February.

Calendar B has the top four priorities (instead of January 2nd being a holiday, that holiday is moved to February)
