

Dear Parents,

Spring is almost here and that means MCA testing season is almost here as well. Below is a link to the testing calendar from the Badger School website. You will need to scroll down to the March and April part of the calendar to see when your student(s) will be testing.

Please make every effort to have your student in school, well rested, nourished, and giving their best effort each and every day, and especially on testing days.

Thank you for supporting and encouraging your students all year and during test season!
