

Principal's Report - February 2025

The high school has been utilizing the time during late starts to update all curriculum maps as well as develop pacing guides. The pacing guides are designed to give a general layout for the year with the obvious adjustments made from time to time. These will be put on the website.

Registration started at the end of January with Mrs. Mortenson meeting with all grades. There may be changes as we move forward, but our goal is to have as many classes available as possible along with as much flexibility to prevent too many conflicts for students.

Our varsity One Act Play team competed at the Section tournament on February 1st. While they did not place to move on to state, they did a tremendous job. We will miss the several seniors on the team this year.

The staff development day, MELT, was held at LQPV High School on January 20th. There were many opportunities for staff to attend a variety of presentations. Thank you to the MRVED staff for a great day!

The mid quarter of quarter three is coming up on February 20th.

March will be a very busy month with concerts and contests for our music department, an Arts performance of "The Giver", and getting prepared for MCA and ACT testing.

AD Report - February 2025

Winter Sports Seasons are nearing or entering postseason competition.

Congrats to our Shadows Dance team for winning 1st place in both Jazz and High Kick at the Section tournament last Saturday in Montevideo! Pepfest will be this Thursday at 11:00 AM. Jazz state competition will take place on Friday and High Kick on Saturday.

Thank you to many people for their help and work at the Conference Individual Wrestling tournament held on February 1st. The day went very smoothly and we heard good things throughout the day. We are busy getting ready to host the Section 3AA Individual Tournament on February 22nd.

Basketball teams will begin postseason play in the near future. Wrestling team playoffs begin this Thursday and continue Saturday if they win.

Again, another thank you to all the workers who help make events go every week! If anyone is interested in helping in the future in any aspect, please contact myself, Chelsie Bothun, or Carrie Kleven.
