Description:

Contract Base Cost: \$12,900.00

The Gifted and Talented (G/T) Advanced Academics Services Contracted Fee Service assists district leaders with the development of effective G/T programs and resources. The G/T Specialist works with campus educators, counselors, administrators, and district staff to meet program requirements as outlined in the Texas State Plan for the Education of Gifted and Talented Students.

Technical assistance and professional development provided through the fee service include, but are not limited to:

Technical assistance:

- Needs assessments and program evaluations to achieve compliance with the state plan
- Individualized plans to achieve program compliance with the goal of Exemplary Status according to the Texas State Plan for the Education of G/T Students
- Long-range planning and development of District G/T Plan
- Integration of program services across campuses
- Curriculum framework review and alignment to the local G/T Plan
- Evaluating teacher training transcripts and requirements
- Evaluating district training needs based on programs and student populations
- Creating professional development plans
- Creation of personalized district plan for training and program compliance
- Information dissemination and meetings for G/T program coordinators

Professional Development provided through a variety of regional workshops, institutes and special topic series. State-mandated training is offered in:

- 30 hour foundation trainings for G/T teachers
- 6 hour updates in various topics
- 6 hour training for administrators and counselors
- G/T Leadership Cohort for administrators, coordinators, directors, or new leaders of G/T programs
- Services available for a discounted fee for on-site training on a contractual basis.
- Priority registration for special events (conference, guest speakers, etc.) at no cost or discounted rates

The ESC must obtain a sufficient number of contracts in order to offer this service.

Contract Fee:

Districts will be billed 12% of their total state GT Funding. This includes the GT portion of the Basic Allotment and the GT Allocation found in the Summary of Finance provided by TEA.
