| <b>Summary:</b>                            | <p>The update will provide background information on the State Accountability system, as well as, report our district and campus state accountability ratings for 2026.</p> <p>In August, the State released the 2026 A-F accountability ratings for both districts and campuses. Campuses are evaluated over three domains: Student Achievement, School Progress, and Closing the Gaps. Campuses proportionally contribute to the District score for each of those domains according to the percentage each campus represents in the District's enrollment in grades 3-12. Additionally, distinction designation can be earned by campuses and districts.</p> |
