August 7, 2026**Dear Administration,**

Please accept this letter as my formal resignation from my position as a Physical Education and Health Teacher with Browning Public Schools, effective immediately.

I want to express how truly thankful I am for the opportunity to have been part of Browning Public Schools. While my time with the district was shorter than I expected, it was a meaningful experience that I will always appreciate.

What I will miss most are my students. I genuinely enjoyed getting to know them, laughing with them, encouraging them, and watching them grow. Teaching PE and Health gave me the opportunity to connect with students in a different way and to hopefully make a positive difference in their school experience. The relationships I built with them are something I will carry with me long after leaving this position.

I am also grateful for the people I had the opportunity to work with and for the support and kindness that were shown to me during my time at Browning. I learned a great deal, both personally and professionally, and I am thankful for the experiences that came with being part of the district.

This was not an easy decision for me to make. However, at this point in my life and career, I believe it is the right decision and the right time for me to take a different path. I leave with gratitude for the opportunity I was given and with nothing but the best wishes for the students and staff of Browning Public Schools.

Thank you for allowing me the opportunity to teach, learn, grow, and most importantly, be part of the lives of some truly wonderful students. I will always be thankful for my time at Browning.

Sincerely,

Krystee Tailfeathers
