Principal's August Report — 2026–2027 School Year

As we get ready for the upcoming school year, there has been a lot happening at Pacific High School. We have been working on several things to get the school ready for students and families.

Getting Ready for the School Year

- We have completed a new bell schedule that separates middle school and high school lunch periods. We are looking forward to seeing how this works for our students.
- We are continuing to work on the master schedule, and it is getting close to completion.
- We are also getting closer to having the transcript corrections completed. This has been an ongoing process, and we appreciate everyone's patience as we work through it.
- This year, we will have Friday A (periods 1–4) and Friday B (periods 5–7) schedules. The time after those periods will be dedicated to class meetings, clubs, and activities.
- The Student Handbook has been updated, as has the Athletic Handbook.
- Arbiter, our online registration system for student-athletes, is up and running.
- School registration is open for families.

Student Activities and Athletics

- Wendy Tomko and a small group of students represented Future Farmers of America (FFA) in the Port Orford Fourth of July Parade. FFA students also participated in the Curry County Fair with their animals.
- Students had opportunities to participate in basketball and volleyball open gyms, as well as soccer open fields.
- Our Associated Student Body (ASB) met with their advisor, Hilary Johnson, to plan the first day for our middle school students and to start talking about activities and events for the upcoming school year.

Staffing and Student Records

- We have filled our open positions and are excited to welcome our new staff members to Pacific High School. We are looking forward to having them join our team and getting to know our students and families.

There is always a lot to do before the first day of school, but things are coming together. We are looking forward to welcoming everyone back and getting the school year underway.
