

5:110 Recognition for Service

The Board of Education will periodically recognize those District employees who contribute significantly to the educational programs and welfare of the students.^{C1}

The purpose of this policy is to permit the Board of Education to honor its staff, former Board members, and other non-employees with plaques, pins, token retirement gifts and awards, and other amenities.

The Board wishes to also honor staff, students, citizens, and groups for their contributions with appropriate recognitions and authorizes administrators to purchase meals, refreshments, and/or other amenities to further the interests of the District. In consideration of financial responsibility, the District will seek sponsorship whenever possible to cover the costs incurred.

The Board hereby affirms that the expenses incurred as listed above do serve a public purpose. The Board believes that "public purpose" serves for the promotion of education, rapport with the business community, community relations, and the encouragement of non-employees to serve as volunteers as well as furthering other interest.
