Administrative Recommendation: Move to approve the Memorandum of Understanding with the United States Army Garrison Fort Cavazos and Killeen ISD for Mutual Scheduling Facilities through July 31, 2029, as presented.

Background Information: The Memorandum of Agreement (MOA) between the United States Army Garrison (USAG) Fort Cavazos and the Killeen Independent School District (KISD) is an essential collaboration aimed at streamlining the use of shared facilities between the two parties. This agreement outlines the mutual responsibility for the use of various facilities such as gyms, cafeterias, playgrounds, and classrooms.

By fostering coordination, the agreement prevents scheduling conflicts and promotes seamless access to these resources for both military families and students in the Killeen ISD community. It also builds on previous agreements to enhance the partnership between USAG Fort Cavazos and KISD, ensuring a structured process for shared access. Key provisions of the agreement include the use of Fort Cavazos facilities for district-community events at no cost, providing swimming pool access for KISD swim teams, and supporting youth programs in elementary schools during off-school hours. In return, KISD will allow Fort Cavazos to use school facilities for Child and Youth Services (CYS) programs, particularly during school breaks and holidays.

This cooperative effort demonstrates a strong commitment from both the Army Garrison and the school district to support the educational and extracurricular needs of military families, while efficiently utilizing available resources.
