

Subject: Introduction of Director of Communications

Date: August 18, 2026

The Superintendent will introduce Ms. Claudia Garcia as the Director of Communications. Claudia has served as the Community Engagement Coordinator in our district since March of 2022. As the Community Engagement Coordinator, she has provided exceptional service and support for our students and families and has significantly strengthened our partnerships within the community. She has also provided critical assistance and support within our communications department. Claudia has a bachelor's degree in communications and is bilingual and biliterate. We look forward to the many ways she will continue to tell our story and support the work of the district in this new role.
