## 2026 - 27 Semester Purchase Terms

**Setup, Maintenance & Support Fee:** A one-time per section fee is included in the first invoice.

**Semester Commitment & Billing:** Each course section is committed for the full academic semester. The full semester fee will be invoiced during the first month of service after students have been granted access to the instructor and/or curriculum.

**Cancellation:**

- No charges apply if services are canceled before the onboarding meeting.
- If canceled after onboarding but before the instructor start date, the setup fees will be charged.
- If canceled after the instructor has started, the full remaining semester balance will be invoiced and is non-refundable.

**Extension of Services:** If the Proximity Learning instructor is needed for the second semester, a written commitment is required. Once confirmed, the same billing and cancellation terms will apply.

**Invoicing:** Invoices will be issued in full at the end of the first month of service. If services begin mid-semester, charges will be prorated. All setup fees, curriculum builds, and related costs will be included in the invoice.

**Payment Terms:** Net 30 days. Late payments incur a 2% monthly penalty.
