

ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends that the Board of Trustees approves the utilization of purchasing cooperatives listed in Attachment #1 on an as-needed basis for authorized expenditures for fiscal year 2027.

BACKGROUND

The District uses competitive solicitations procured through various purchasing cooperatives, group purchasing organizations, government purchasing alliances, and interagency agreements within and outside the State of Texas. Contracts awarded through these cooperatives comply with the competitive procurement requirements in Section 44.031 of the Texas Education Code, as authorized by Section 791.011 of the Texas Government Code.

IMPACT OF THIS ACTION

Purchasing goods and services through competitively bid cooperatives allows the District to leverage its buying power by pooling the purchasing volume of multiple governmental and educational institutions to obtain the best value for cooperative members. Utilizing these contracts also saves time and reduces administrative costs. Because they are readily available when needed, these contracts eliminate the requirement to initiate a formal solicitation process.
