

Pre-K/ESL Board Report- August 2026

First Day

Monday, August 17th was our first day of preschool. We had a few tears, but everyone pushed through and it turned out to be a great day! We are looking forward to a fantastic year!

Field Trip

We are planning our first field trip of the year. We are hoping to go to the STL Zoo in early October.

Family Engagement

Parents have been turning in the permission forms to start use of our online family engagement/learning platform, READY ROSIE! Videos will start going out next week.

Screening

I am still doing screening as parents call and request. We do have a few spots available for the PM classes so I will be sending out flyers very soon in hopes of filling them within the next month.

ESL

We have SEVERAL new families to our district this year. I am expecting two more students to register very soon. As of right now, our numbers are as follows in regards to the student's native language:

Spanish: 18

Bosnian: 1

Akateko: 3

Cebuano: 2

Kiswahili: 3

*There are also 3 preschoolers that are identified as ELL. It's going to be an extremely busy year!
