FINANCES

CPTA income comes from chapter dues. With our funds, we support AYAM, SBEF, fund a scholarship, funnel dues back to locals through the angel membership program and host Founders' Day and a Gratitude Luncheon annually.

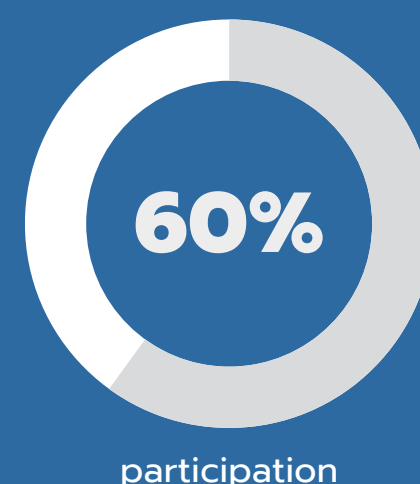

AWARDS

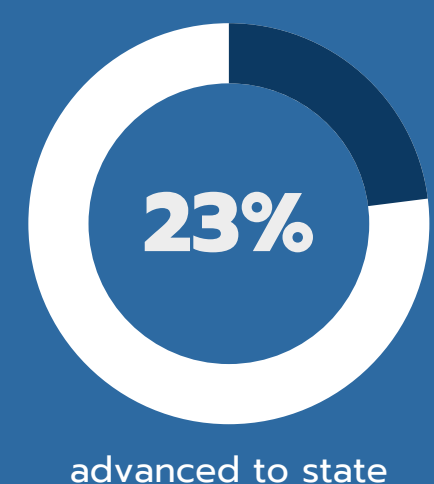

Our local units racked up 106 individual Texas PTA awards, and as a result our Council earned 7 of 9 possible distinctions.

REFLECTIONS

The Reflections Art Program is a chance for students to show off their talents in various mediums. Eighteen campuses (60% of PTAs) participated, submitting over 100 pieces of art. Twenty-three advanced to the state level.

SERVICES

CPTA exists to support local PTAs. This year we trained all local boards, presented to principals, hosted a Sister Schools Session to enhance campus partnerships, utilized an SBEF grant to support staff at NMS & SOMS, hosted a trustee candidate forum, sent 41 newsletters, raised over \$2500 for the Transportation Department, recognized 24 staff members with a School Bell Award nomination, honored over 100 volunteers with Texas PTA service awards and hosted five delegate meetings featuring district leadership at various district facilities.

NEW PTAS

We started the year with 29 PTAs and finished with 31 district-wide. We are so excited to welcome our brand new Thornwood Elementary PTA and Shadow Oaks Elementary PTA!
