Staff Welcome Back

We welcomed our staff back on August 24. Our staff started the day with a breakfast sponsored by the Mahtomedi Area Educational Foundation and then gathered together at the district-wide staff welcome back event.

Staff also heard from the 2026-27 Mahtomedi Teacher of the Year, Julie Conzemius. After the event, staff worked in their buildings and classrooms planning for the school year!

“See Me” Flags

“See Me” flags have been installed at Stillwater Road and Glenmar Avenue to help support students who are walking to school and around the community.

This new initiative was created in response to parent feedback and is a partnership between the Safe Routes to School volunteer committee, Mahtomedi Community Education, the City of Mahtomedi, and Washington County.
