

Community Education Board Report

August 2026

Summer Picnic Series

- The last picnic was held Wednesday, August 19. Our special guests were members of the Crosby Fire Department, who came with a ladder truck. We also invited C-I fall athletes and had many student-athletes present representing football, volleyball and cross country.

Networking

- Met with CRMC leadership to discuss collaboration on educational and volunteer opportunities.
- Met with the Cuyuna Range Youth Center grant writer to discuss future grants, with the main goal of securing food resources for the Summer Picnic Series.
- Had a Community Ed booth set up at Night to Unite in Crosby Memorial Park with a paper airplane contest, "Help Launch Community Ed," and an interactive poll for community members to weigh in on preferred classes.
- Launched a survey on our website and Facebook to gauge interest in participating in and/or teaching classes, as well as assess the need for before- and after-school care.
- Meeting scheduled for August 24 with the Adult Basic Education Consortium at CLC.

Facility Use/Tours

- Met with Matt Grinde to learn more about the audio/visual components of setting up meetings in the Forum Room and Commons.
- Met with potential instructors to give tours of available spaces.
- Working with St. Joseph's Catholic Church of Crosby on an auditorium rental for a play to be held August 22.
