TO: Esther Evikana, President
Members of the Board

THROUGH: David Vadiveloo, Superintendent *DSVadiveloo*

FROM: Marie Stackhouse, Board Secretary

DATE: August 20, 2026

SUBJECT: Association of Alaska School Boards
Resolutions

**Memo No: SB27-020
(Action Item)**

NSBSD Strategic Plan Goal:

2.0 Community Engagement: Foster collective responsibility, commitment, and trust between the school and community.

Issue Summary:

The Association of Alaska School Boards (AASB) is soliciting resolutions and resolution amendments from local school boards by October 7, 2026 for consideration at the 2026 Annual Conference on November 5-8, 2026 in the Egan Civic and Convention Center.

The Legislative Committee did not recommend any new resolutions or amendments at this time. If the Board would like to recommend a resolution and refer to the Legislative Committee, Administration recommends authorizing the legislative committee final approval of resolutions and/or amendments for the AASB Where We Stand draft submission for the delegate assembly.

Background:

Resolutions provided in the Where We Stand document guide AASB in the upcoming legislative session and is an opportunity for school boards to address topics that may not yet be addressed.

The AASB resolution committee will meet on November 5 to review the resolutions to be adopted by the membership at the Delegate Assembly on November 8, 2026. AASB asks each school board to carefully review the resolutions packet for potential amendments or new resolutions. The AASB Board of Directors has recommended the renewal of 13 out of 14 resolutions scheduled to sunset and are not recommending any new resolutions. The resolution that will sunset, 2.45, Teacher Education Loan Expansion, has accomplished its objective.

Proposed Motion:

"I move that the NSBSD Board of Education authorize the Legislative Committee final approval of resolutions and/or amendments for the AASB Where We Stand draft submission for the delegate assembly of AASB."
