Alice Pitre Mitchell

Recruiter, Lee College | 32 years of service

July 31, 2026

As a Recruiter, Alice helped countless students recognize their potential, pursue their goals, and see the possibilities that higher education could provide.

Even after retiring, her commitment continued. For another eight years she remained a familiar and valued presence on campus, stepping in wherever she was needed. Beyond Lee College, she was an active member of the community with a genuine heart for helping others.

We are grateful for her many years of service and for the lasting impact she made on our students and our community.
