

Ms Lisa Demars,

It is with deep sadness I am offering my resignation as a Paraprofessional position in the DCD program as of Tuesday, August 18, 2026. My circumstances changed over the summer and we have purchased a home in Andover, MN.

It has been my great pleasure to work for and with the amazing staff here at Aitkin High School. I could not have asked for a better second life of service in my professional career than to be under your care.

Theresa Hiller-Baty
