

## **Series 4000: District Employment**

### **4200 Employee Conduct and Ethics**

#### ***4210 Drug and Alcohol Free Workplace; Tobacco Product Restrictions***

##### **A. General**

Employees serve as role models to students at school and in the community. Employee substance abuse constitutes a threat to the physical and mental well-being of employees and students and significantly impedes job performance and effectiveness.

The District maintains a drug and alcohol free workplace. In addition, to the extent permitted by law, the District strives to maintain a tobacco product free workplace.

This policy does not prohibit the use of nicotine replacement therapies for smoking cessation, such as Food and Drug Administration approved nicotine gum, patches, or lozenges.
