Board Packet Submission Form

Date of Board Meeting: 8/25/2026

Recommendation: Consent Agenda - Approve as presented

Agenda Item Number: 3(f)

Agenda Item Title: Update to 27-28 School Calendar

Time Allotted: 0 - Consent Agenda

Strategic Plan Areas of Focus: Operational Effectiveness

Purpose: The 2027–28 school calendar is being updated to better align spring break for students and staff. The revised calendar maintains the same number of instructional days for students and work days for staff, while adjusting the placement of days to provide both students and staff with the same full week of spring break. This change creates greater consistency for families and staff while preserving all required instructional and work days.

Funding Source: Not Applicable (consent agenda)
