

August Board Report (8-24-26)

1. High School Roof – Reached the end of its life expectancy. We have a quote from Reclaim Construction for \$600,000ish. It can be completed during the Christmas Break.
2. MOU w/ Weatherford College (Education Department). Gives us the opportunity to “grow our own” with our paraprofessionals interested in teaching. This will also give us a look at other potential educators wanting to do their student teaching with us.
3. Superior rating on TEA’s FIRST (Financial Integrity Rating System of Texas) system. 90 out of 100. We were “dinged” for budgeting more than we spent.
4. TXDOT update
5. Scoreboards at the Baseball/Softball Fields
6. Mr. Clark
7. Mr. Steen
8. Mr. Latham

Millsap Independent School District
