Board Information or Report

Background Information

According to the existing superintendent contract, the superintendent receives \$150 per month for vehicle reimbursement. The superintendent is asking that beginning Aug. 1, 2026, reimbursement would be made for actual miles driven at the current federal mileage reimbursement rate in place of the \$150 vehicle reimbursement. The superintendent would be required to track miles and submit on a monthly basis.

Recommendation

I move to approve the Superintendent mileage reimbursement MOU.
