

GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: **August 25, 2026**

TITLE: **Approval of Personnel Changes**

BACKGROUND:

Changes in the employment status of employee(s) and/or job description(s) will be presented herein. Changes are current as of August 24, 2026.

In addition, this agenda item proposes a market adjustment for the following position:

Grounds Equipment Mechanic

After conducting a wage market analysis, the District determined that the Grounds Equipment Mechanic position is currently compensated below the local public employer market for comparable equipment mechanic positions. If compensation remains below market, the District may experience difficulty recruiting and retaining qualified employees and competing for candidates in the local labor market.

Administration recommends moving the salary placement of the Grounds Equipment Mechanic position from Level 9 on the FY27 Support Staff/Classified Placement Schedule to Level 14. This adjustment would increase the starting wage from \$17.85 per hour to \$23.56 per hour.

The District currently has one incumbent in this position. In accordance with the District's past practices for market adjustments, the incumbent will also receive a wage adjustment based on years of experience. The incumbent's resulting salary adjustment is reflected in the personnel chart included with this agenda item.

The revised Support Staff/Classified Placement Schedule, reflecting the change in salary placement for the Grounds Equipment Mechanic position, is included with this agenda item.

RECOMMENDATION:

It is the recommendation of the Administration that the Board approve the personnel changes as presented, the market adjustment for the Grounds Equipment Mechanic position, and the revised Support Staff/Classified Placement Schedule.

INITIATED BY:

John Hastings, Director of Human Resources

Date: August 24, 2026

Todd A. Jaeger, J.D., Superintendent

GROUNDS EQUIPMENT MECHANIC

QUALIFICATIONS

A. REQUIRED

- Trade or vocational school or equivalent.
- Technical knowledge of standard practices of the heavy-duty equipment and grounds equipment mechanic trade.
- Knowledge of gas and diesel engines and hydraulic principles.
- Equivalent combination of education/training/experience
- Possession of valid Arizona driver's license

B. DESIRED

- Ten years of heavy-duty equipment and grounds equipment repair experience.

SUMMARY

This is skilled mechanical work in the maintenance and repair of grounds equipment. Employees of this class are responsible for the performance of skilled tasks in repair work to tractors, sweepers, loaders, road-graders, lawn mowers, and other grounds small engine equipment.

Through general supervision, employee works independently with grounds manager and grounds personnel. Assignments arise in the form of oral instruction or general written work orders setting forth a complaint with respect to the operating conditions of a piece of equipment.

Reports to: Grounds Manager

ESSENTIAL FUNCTIONS

- Monitors and services grounds equipment in the field, as required
- Performs emergency field repair
- Maintains small engine and off-road equipment
- Performs preventative maintenance on equipment
- Makes small automotive repairs
- Maintains and sharpens mower blades
- Test runs equipment after work is completed, in addition to diagnosing various malfunctions on heavy-duty vehicles and equipment
- Performs general overhaul and repair work on gas and diesel tractors, road-graders, loaders, lawn mowers, and other grounds small engine equipment
- Performs more difficult or unusual diagnoses of needed repairs, or otherwise determines the corrective measures needed to place the equipment in use
- Keeps work area and shop clean
- Coordinates and maintains levels of inventory and parts purchasing with Tool and Supply Coordinator
- Assists in maintaining record management

GROUND'S EQUIPMENT MECHANIC

- Maintains preventative maintenance work schedules, work history records, and performs preventative maintenance
- Works within a cost control budget; controls costs on materials and tool purchases; may develop an estimate of costs for repair jobs and new installations
- Participates on committees as assigned; makes suggestions to improve district/departamental operation; assists in establishing work schedules designed to minimize impact on instruction
- Exhibits patience, courtesy and tact in dealing with others
- Promotes and supports district-wide educational advancement in 21st Century skills
- Integrates knowledge and skills that are relevant to the 21st Century
- Performs other related duties as assigned

MENTAL AND PHYSICAL REQUIREMENTS

- Ability to concentrate for extended periods of time
- Ability to communicate effectively, both verbally and in writing
- Ability to perform functions from oral and written instructions
- Ability to perform tasks requiring manual dexterity
- Ability to work in a shop environment, both indoors and outdoors
- Ability to lift, climb, stoop, bend, twist, reach, walk and stand for long periods of time
