

DISCUSSION OF THE 2026-2027 ECISD CAMPUS IMPROVEMENT PLANS

Presentation and discussion of the 2026-2027 Campus Improvement Plans (CIP) led by Executive Director of Leadership Julie Marshall. The process of CIP development will be explained and principals will share goals and strategies within their schools' CIPs. Each campus, regardless of rating, is required to build a Campus Improvement Plan annually. This plan serves as the blueprint for how each school will uniquely address the campus-specific needs identified in their Comprehensive Needs Assessment (CAN).
