

School Board Meeting Agenda Item

Topic: Administrative Report
Presenter(s): Bob Jaszczak, Superintendent

Nature of Action Requested

Board Action
Board Information or Report X

Background Information

Building and Programming Updates will be provided at each board meeting. For the remainder of the year, the first meeting of each month will be building updates provided by principals or building administrators. The second meeting of each month will be programming updates provided by each director.

Building and Programming Updates	<u>Colvill</u> • <u>Sunnyside</u> • The Sunnyside building is officially prepped, sparkling, and ready to welcome everyone back for another great year! • Many teachers have already been coming into the building, prepping their classrooms, and getting everything ready to hit the ground running. • We're thrilled to officially welcome our new Student Support Coordinator, and our new First Grade Teacher who are already getting acclimated to Sunnyside. • We can't wait to see everyone and meet all of our new and returning families at Open House next week! <u>Burnside</u> • New teaching staff kicked off the year on August 17th, 18th, & 19th, and we're excited to welcome them into the building! • Custodial staff is wrapping up their hard work prepping the building for the school year. Burnside looks great! • Burnside continues to work on filling a few staff positions. We encourage any interested candidates to check the district's employment page to see what's available! <u>Twin Bluff</u> • New teacher training is underway and our newest TEAM members are feeling welcomed and supported. • We are still working on finding a teacher for our open Grade 7 ELA position.
----------------------------------	--

- We attended Culture Camp at Prairie Island August 18-20th. New teachers visited during their tour on August 18th and observed the hands-on learning in a natural setting before attending a working luncheon at the community center. Many liaisons spoke to our staff about their experiences and how impactful they, as teachers, will be in our classrooms and community.

High School

- Many of our newly hired staff are excited and eager to get into the building as we are quickly approaching the school year. We are excited about the continued growth of our staff and the new fresh eyes that are coming in to help us achieve at a higher level.
- We are still looking for 2 Special Education Teachers to join our wonderful team!
- Picture Day is at Open House! Come dressed with that fresh new fit! Make-up pictures are in October if you are still traveling

Tower View

-

Activities

- As of Tuesday, nearly 400 students are registered for fall sports. This number will only grow as we approach the start of school and registration for other activities ensues.
- The Bound scheduling/registration transition has been smooth. We are hoping the same will take place for ticketing and concessions.
- We are still looking for coaches/advisors.

American Indian Education Program Director

-

Buildings & Grounds

- Football and soccer fields are in excellent shape due to irrigation during this dry spell, they are being painted for the beginning of the seasons.
- Extensive crack filling was done throughout the district's parking lots. Lines and curbs will be repainted before school starts at most school locations.
- Interior painting has been done in all district schools. Major work was done on the stage of Hovda Hall, the cafeteria at Burnside, various classrooms and offices throughout all schools.
- The custodial crew at Twin Bluff will be working extra hard this week and Monday next week to transition classrooms from Kid's Junction to regular classrooms.

Communication

- Back-to-school communication has been intense.

Community Education

- Community Education & Recreation provided a wide range of recreation and enrichment opportunities for youth and adults this summer, with more than 2,300 enrollments in programs and over 22,000 visits to the Colvill Aquatic Center.
- The Community Education Fall Catalog will begin arriving in households across the school district the week of August 24.

- This fall, we are also introducing new registration and facility scheduling software designed to make it easier for community members to find and register for programs. The new system integrates with the scheduling software recently implemented by Athletics and Activities, allowing us to maintain an integrated district-wide facility calendar and allow coordination and scheduling of district spaces.

Human Resources

- Hiring momentum has remained strong throughout the summer as we successfully filled key roles across the district. We are thrilled to welcome a fantastic group of new educators and support staff to Red Wing Public Schools for the upcoming 2026/2027 school year.
- Building on our commitment to school safety, RWPS recently hosted a joint Emergency Response Training in partnership with the Goodhue County Sheriff's Office, the Red Wing Police Department, and our certified ALICE trainers, Kelsie Kuyath and Anne Robertson. District administrative and building leadership staff actively participated in this comprehensive training, further strengthening our multi-agency coordination, crisis preparedness, and safety protocols across all facilities.
- HR continues to refine and modernize district-wide processes and procedures. Current efforts are focused on establishing standardized workflows across all departments to boost operational efficiency, ensure consistent candidate and employee experiences, and maintain strict alignment with evolving state and federal legal compliance standards.

Nursing Services

- New District Licensed School Nurse started this month
- Building nurses are busy getting ready for the upcoming school year.
- Working with vision and hearing screenings, CARE Clinic's in-school student dental services, and student and staff flu clinics

Special Services

-

Student Nutrition Services

- Menus will be posted by the end of the week. Look for small changes to start the school year with more salad bar options and less pre-packaged foods.
- We are excited to receive deliveries from Red Wing Farmers Market of local, seasonal items.

Teaching & Learning

- New Teacher Orientation welcomed 20 new teachers to the district on August 17-19.
- Workshop Week started yesterday with District Kick-Off, the rest of this week is busy with open houses and professional learning.
- We are getting ready for fall academic screening, there are a few screening changes that were late changes by MDE
