Sean,

Attached is the build sheet on the 2026 Silverado.

MSRP of the Truck is \$54,995.

Sale Price would be \$46,212 plus tax, title, and registration.

This is for the Fleet pricing on an order out. That is the only way we can do this and can honor this price. The Order Window cuts off Friday for 2026. So we would want this finalized by Thursday to get this order in. I understand you have to present it and get it approved, but this is the deadline we have. As to they will be switching to the 2027 Silverado next week. They are a new truck and will be seeing a price increase. Let me know if you have any other questions.
I'm here everyday but Wednesday this week.

Thanks,
Caleb
