

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Katie Reynolds, Ed.D.
Date: September 9, 2026
Re: Annual eLearning Plan Review

Every 3 years, the Board of Education must approve an eLearning plan in order to conduct eLearning on days when the school would need to close due to hazardous conditions, either in the building or due to weather. The Board approved the eLearning Plan in June of 2024. Annually on non-approval years, the Board must review the eLearning Plan at a public meeting. The plan and the FAQ are included for the Board's review. I do not recommend any changes to the plan or FAQ.
