Celebrating Our Students & Sharing the YME Story

At Yellow Medicine East, we are incredibly proud of our students and the great things happening in our classrooms, activities, programs, and schools every day. Sharing these moments allows us to **celebrate student accomplishments, recognize their hard work, keep families connected, and showcase the many opportunities available to students at YME.**

Throughout the school year, YME may photograph, video record, or recognize students as they participate in classroom activities, school events, fine arts, athletics, clubs, competitions, field trips, special programs, and other school-related activities.

Student **photographs, video recordings, names, and school-related achievements or accomplishments** may be shared through:

- District social media accounts
- District website
- School newsletters, publications, and yearbooks
- Promotional materials
- Local newspapers, television, and other media outlets

These stories and images help us capture what makes YME special and give our students the opportunity to be recognized and celebrated by their families, classmates, teachers, and community. YME takes student privacy seriously. Student information will be shared thoughtfully and appropriately, consistent with district policies and applicable student privacy requirements.

Media Permission & Opt-Out

No action is needed if you are comfortable with your student being included in YME photos, videos, student recognition, and school-related communications. Unless a parent or guardian notifies the district otherwise, permission will be considered granted for the current school year.

If you prefer that Yellow Medicine East Schools NOT publish or share your student's photograph, video image, name, or school-related accomplishments in district communications, or the Bert Raney Elementary or MS/HS yearbook, please complete the attached **Student Media Opt-Out Form** and return to your child's school office. Opt-out requests will remain in effect for the current school year and should be submitted at the beginning of each school year or as soon as possible following enrollment.

Thank you for allowing us to celebrate our students, recognize their accomplishments, and share the YME story with our families and community. We are proud of our students—and we love having the opportunity to show it! Question? Please contact Krystle Enninga, District Communications Coordinator, at kenninga@isd2190.org.
