NEW BUSINESS ITEM: Approval of Resolution in Support of
Legendary Teacher Day, September 24, 2026

SUBMITTED BY: Denise Bartlett, Superintendent

PRESENTED BY: Denise Bartlett, Superintendent

In its thirteenth year, the Legendary Teacher Day will be held on September 24, 2026. CFSD has supported this program for the past twelve years. Attached is a resolution for governing board consideration.

The Legendary Teacher Day program is designed to recognize that one teacher in our lives who made a significant difference. Legendary Teacher honorees can include current and retired teachers. The three tenets of a legendary teacher are building relationships, engaging deeply with students, and creating high expectations.

We have begun to promote the program on social media and in school blogs/newsletters. Tributes to a Legendary Teacher can be submitted online by completing a tribute at <https://www.legendaryteacher.com/tribute>.

RECOMMENDED MOTION: I move that the governing board support the Legendary Teacher Day program by approving the attached resolution, as presented.
