

Discussion Item

Date: September 8, 2026

Division: Finance

Subject: September 14 Regular Board Meeting Consent Agenda/Cooperative Purchases Preview

Background Information:

- During peak months of the fiscal year, the consent agenda for the regular Board of Trustees meeting contains a significant volume of procurement and administrative items. The Consent Agenda Preview was developed as a strategic tool to provide the Board of Trustees with an advance overview to help navigate major regular meeting agenda items.
- Utilizing Lewisville ISD-eligible cooperative purchasing contracts allows the District to access a broad selection of qualified vendors, products, specialized services, and competitive volume pricing to ensure best value. These cooperative agreements supplement existing LISD competitive bids and provide operational flexibility across campuses and departments.

Administrative Consideration:

- The preview of consent agenda items will not list all items but will instead highlight major areas of interest.
- The associated document is a summary of the consent agenda/cooperative purchases that will be brought to the Board of Trustees on September 14, 2026, for consideration and approval.
