Description of Fundraiser: (Be Specific): *

Aztec FFA members will conduct an additional fundraising campaign to help offset student expenses associated with attending the 2026 National FFA Convention in Indianapolis, Indiana. Fundraising activities will include a "Buy-a-Calendar-Date" donation fundraiser, sponsorship opportunities for the 2026–2027 Aztec FFA Chapter T-shirt, and jerky sales. Students may solicit support from family members, community members, and local businesses during the approved fundraising period. Clarifying fundraiser dates is we are planning to start September 5, 2026 and running till October 15, 2026.

Description of Intended Use of Profits: (List Each Item and Estimated Cost) *

All profits will be deposited into the FFA activity account and used to help offset student expenses for the 2026 National FFA Convention in Indianapolis, Indiana. Expenses may include student transportation and airfare, lodging, convention registration, educational tours and activities, local transportation, and other approved travel-related expenses. Funds raised will help reduce the amount participating students and their families are responsible for paying.

Anticipated Profit from Fundraiser: *

For this one, I would use a realistic combined estimate. If several students are participating, something like \$5,000–\$10,000 would give you room without implying that you expect every fundraiser to reach its maximum potential.
