Agenda Item II-D: Bid Award - Apollo Renovations and Additions Bid Package 2 Re-Bid
Presented by: Amy Skaalerud, Executive Director of Finance and Business Services

Background:

Bids for the Apollo Renovations and Additions Bid Package 2 Re-Bid were opened on Thursday, August 20, 2026 at 2:00 p.m. Central Time. A bid tabulation is attached.

This was a re-bid of the joint sealants and casework work scopes. Distinctive Cabinet Design is the apparent low bidder for the casework bid; however, their bid was incomplete and is being rejected. Bids are still being reviewed for the joint sealants work scope because there was a significant spread between the low and high bids. A recommendation for that work scope will be brought to the Board at a future meeting.

This project will be funded with proceeds from the 2025A School Building Bonds.

Administration Recommendation:

The Administration recommends that the Board of Education award the casework bid for the Apollo Renovations and Additions Bid Package 2 Re-Bid to Woodside Industries, Inc in the amount of \$477,375 based on low bid received meeting specifications.
