ACTION REQUIRED

Second Read of Policy KNA

Summary:

HB 4079 - Immigration Response Requirements

House Bill 4079 will become effective on September 30, 2026, establishing new requirements for Oregon school districts regarding responses to federal immigration enforcement activities on school property, including the adoption of board policy aligned to these requirements.

Administration is monitoring guidance from the Oregon Department of Justice, Oregon Department of Education, and OSBA to ensure the district's implementation aligns with state requirements. Over the coming weeks, we will designate the district's responsible administrator(s), complete any required training, develop administrative procedures and response protocols, and update required website information.

Our implementation will continue to emphasize student safety, privacy, and full compliance with both Oregon and Federal laws.

Action Requested:

I recommend that the Board take action on Policy KNA as presented and recommended by Superintendent Crider.

Motion Requested:

"I move that the Board adopt Policy KNA as presented and recommended."
