September Athletic Board Report

Our 2026 Fall Season has started off very well. Varsity Football is 1-0 with a 54-21 win over Diboll. Varsity Volleyball has done very well to start the season against some very tough competition. Cross Country has run in one meet so far and they competed very well. All of the sub varsities have good participation and are doing a great job. We are super proud of all of our athletes and the way that they represent our school and community.
