1. When you think about the recently released campus academic rating for your campus, how will you help students and staff improve student outcomes?

WeAreSomosSanEl

**2. Every campus has opportunities and challenges.
What do you see as the biggest opportunity or challenge
to make academic gains?**

WeAreSomosSanEl

3. We are in this work together.
What support from your staff, district leadership, or other departments will make the biggest difference in helping your campus reach improved academic goals?

WeAreSomosSanEl

4. What are the expectations for teachers and staff this year?

WeAreSomosSanEl

5. How can the School Board/District administration best support you?
