MEMORANDUM

To: Members of the Board of Trustees
From: Aggie Reyes, Executive Director of Child Nutrition Services
Subject: August 2026 – Meal Service Update
Date: September 8, 2026

HISTORY: The Child Nutrition Services Department will provide a monthly report to the Members of the Board of Trustees.

RATIONALE: The Child Nutrition Services Department served 55,000 student meals through August 21, 2026. This count includes breakfast, lunch, snacks, and supper meals.

We served 4,350 more meals this month than in August 2025, and that's a good indicator that students approve of the menus and our school meal advocates are promoting school meals.

Staggered cafeteria schedules cut overtime costs and provide hot supper meals for all students to fuel them through afterschool activities.

Student meals were provided for travelling students participating in volleyball, cross country, and tennis at SEHS. A delicious breakfast was planned for our high school seniors on Senior Sunrise Day.

Cafeterias welcomed faculty back with a delicious pozole.

Child Nutrition Services is committed to the academic success of students in San Elizario ISD.

BUDGET IMPACT: There is no budget impact for this agenda item.

ADMINISTRATIVE RECOMMENDATION: The administrative recommendation is to review the information.
