

6. MONITORING REPORT – FY 2026-2027 Tentative Budget Update

A. SUBJECT

This item is included on the agenda, so the Board of Education can review the FY27 Tentative Budget.

B. INFORMATION

Julie Dillon, Chief Financial Officer, will provide an overview of the FY27 Tentative Budget.

Following its initial presentation on August 11, 2026, and subsequent Board authorization, notice was published in the *Woodstock Independent* on August 19th, opening the document for public review both online and in the District office lobby. The formal process will conclude on September 22, 2026, when the Board holds a public hearing during its regular meeting to review and officially vote on the final budget version.

This is an informational report only. No formal Board action is required.
