Overview

Adelante Educational Specialists agrees to provide consultation and professional development with district stakeholders in the area(s) of biliteracy curriculum development as indicated below:

Goals -

1. Participants will work alongside Adelante Educational Specialist Group to develop a paired curriculum map/Pacing Guide for grades **using the Core Curriculum Resource: HmH: Arriba la lectura** that will be used for the Dual Language Program; K - 5. (3 days)
2. This pacing guide will identify priority standards and will align Spanish Language Development (SLD) with English Language Development (ELD)

Description of Services

Each grade level team in grades will work alongside Adelante Educational Specialists Group for 5 half day sessions to develop a paired curriculum map using Benchmark Curriculum as the core resource. These paired curriculum maps will be aligned to all standards: The Illinois Learning Standards (Language Arts, Social Science and NGSS), the Illinois Spanish Language Arts Standards and WIDA standards and will incorporate the district priority standards and existing resources. Should additional texts and resources be needed, the district will purchase these separately.

Time

Total days for the biliteracy curriculum development and frameworks is 3 days at a per diem rate of \$3,500 totaling \$10,500 for all 3 sessions. Dates and sessions will be determined by Adelante Educational Specialists Group and the administrators of

Harlem School District. Upon completion of the initial 3 sessions, additional days can be added for continued facilitation and development of the biliteracy curriculum.
