

REQUEST FOR COUNCIL ACTION

Meeting

Date: Sept 8.26

AGENDA SECTION: General Business	ORIGINATING DEPT: Administration
ITEM DESCRIPTION: Limited Hunt	PREPARED BY: C. Jefferson

Staff has been working with Fisher Nagel and Marv Schumann regarding a "limited hunt". This would entail hunting (shot gun) geese in the area outlined in the attached mapping.

As safety is naturally a concern, Fisher Nagel is proposing no shooting towards the mobile home park and using birdshot with a max distance of 40-50 yds, which would not interfere with the businesses close by.

Hours of the hunt would be 7am-Noon on Saturday mornings during the Canada Geese Season which runs: Sept 5th-Sept 20th, Sept 26-Sept 4th and Oct 17th-Jan 6th.

They will also notify Southern Hills, MN Medical and Fed Ex prior to starting the hunting season.

COUNCIL ACTION REQUESTED:

To approve or deny the exception to City Ordinance Section 660 Weapons from Sept 5th to Jan 6th.

To the City Council:

As owner of the attached lots, I hereby encourage the City Council to allow limited hunting of geese within city limits.

I have been working with Fisher Nagel who along with his father & brother. Hours of hunting would be ideally between 7am – Noon on Saturday mornings during the Canada Geese Season (Sept 5th to Sept 20th & Sept 26th – Oct 4th and Oct 17th – Jan 6th).

Shooting would not be toward the mobile home park. Max distance of birdshot is 40 – 50 yds and would not interfere with the businesses close by.

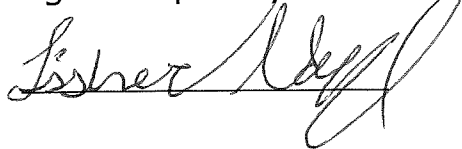

If approved, we would seek approval yearly.

We appreciate your cooperation.

Marv Schumann
