Dylan Koch and Adam Gehiling are working on a grant through the MnDOT Transportation Fund – Local Road Improvement Program for 2<sup>nd</sup> Ave NW as part of the 2027 CIP Project.

The CIP Project will update aging underground infrastructure and will also enhance safety, reliability and efficiency for the public.

### **COUNCIL ACTION REQUESTED:**

To approve Resolution 2026-\_\_\_ A Resolution Supporting the City of Stewartville’s Grant Application to the Minnesota Transportation Fund – Local Road Improvement Program.

## RESOLUTION 2026-\_\_

### **A Resolution Supporting the City of Stewartville's Grant Application to the Minnesota Transportation Fund – Local Road Improvement Program**

**Whereas**, the City of Stewartville wishes to express its support in their application for State funding through the Minnesota Transportation Fund's Local Road Improvement Program; and

**Whereas**, the City of Stewartville has planned improvements to 2 Avenue NW, a roadway serving commercial, industrial, manufacturing, and commuter traffic; and

**Whereas**, the proposed project will enhance safety, reliability, and efficiency for local commercial, industrial, and manufacturing operations, while also updating aging underground infrastructure; and

**Whereas**, the City recognizes that safe and efficient transportation and underground infrastructure benefit all citizens and local businesses of the broader region;

**Now, Therefore, Be It Resolved** that the City of Stewartville hereby expresses its full support for High Forest Township's application to the Minnesota Department of Transportation and strongly encourages approval of their funding request.

Adopted by the Stewartville City Council this 8th day of September, 2026.
