District Strategies (Check all that apply):

- ☐ Students and staff will thrive in a secure environment, build connections and community, and become resilient leaders.
☒ Each student will engage in world-class learning experiences that foster curiosity, develop talents, guide exploration, and fuel achievement.
☐ We will cultivate innovation through strategic collaboration and responsive organizational stewardship.

Subject:

CCISD Instructional Planning & Campus Support Presentation

Background:

This presentation provides an overview of the district's ongoing efforts to strengthen instructional systems and improve student outcomes through targeted campus support. Trustees will receive an update on the campus support model, including a comparison of student performance data, lessons learned, and the impact of focused interventions. The presentation will also highlight the transition to a redesigned instructional support structure through the Campus Instructional Specialists (CIS) and District Content Specialists (DCS) roles, the district's approach to standardizing support while differentiating assistance based on campus needs and performance data, and the key strategies driving implementation, including professional learning, learning walks, campus visits, and a focus on instructional coherence across the system.
