RE: NSSEO Committee Update

September 2, 2026 Governing Board Meeting

1. Shining Stars Update /Celebrations

Miner School: Justine J., District 21
Adhiraj G., District 25

2. Any Governance Board Meeting Items with Financial Implications to Our District and/or Votes Taken Place

Discussed recruiting and titling options for Dr. Schnoor's replacement. Leaning towards a light engagement with a recruiter.

ICE resolution and signage approved.

Staffing at NSSEO is the best it's been in years. Big credit to the admin staff for making sure we are staffed appropriately with great educators!!!

There were concerns from the Operations Board about the administration purchasing (a reasonable) breakfast for staff on institute days. I personally find it completely reasonable. We certainly appreciate and expect good financial practices but also think we need to allow administration within their budgets and with respect to the organization they lead to make such decisions.

3. Upcoming Decisions / Votes to Watch

We still have serious outstanding facilities related needs that need to be addressed at NSSEO. We have placed a new topic on the next NSSEO meeting (Rescheduled for October 14th) followed by a COW with the Operations Board on Thursday, October 29th at 9AM.
