NEW BUSINESS

TO: Board of Directors
FROM: Denise Wright, Director of Student Services
DATE: September 9, 2026
SUBJECT: First Read of Policy and ARs - KNA – Immigration Enforcement on District Property

In 2026, the Oregon Legislature adopted three bills related to federal immigration enforcement in schools: Senate Bill (SB) 1538, SB 1594, and House Bill (HB) 4079). These new laws require the Oregon Attorney General's (AG) Office to publish model policies related to immigration enforcement in schools. Districts must provide these model AG policies to employees, and must adopt a policy that is consistent the AG model policies by September 30, 2026.

The district-adopted policy must:

- Designate an individual to be the primary contact for immigration enforcement;
- Include requirements for notifying students, parents, staff and the community when federal immigration officials are confirmed to be on district property for enforcement purposes;
- Include training requirements for designated individuals;
- Be included in the student handbook; and
- Include any other requirements provided by law.

OSBA has released new sample policy to help meet these requirements and two new administrative regulations to assist in the implementation of this policy.

This item is presented for its first reading of the proposed policy and accompanying Administrative Regulations (ARs). This will return to the Board at its September 23rd meeting for consideration and recommended adoption.
