Subject: Participation in the Interlocal Agreement between Region 18 Educational Service Center and McKinney ISD

Date: September 14, 2026

Pursuant to Chapter 791 of the Texas Government Code and Section 44.031 of the Texas Education Code, McKinney ISD is authorized to enter into interlocal agreements as a method of procuring goods and services. The proposed Interlocal Agreement with Region 18 Education Service Center establishes a framework for McKinney ISD to procure instructional materials and supplies from Region 18 ESC as needs arise. Participation is voluntary and does not obligate the District to make any purchases. Any purchases made under the agreement will be based on District needs, available funding, and applicable purchasing requirements.

Impact Statement: There is no cost to participate in this program. Participation in this program should produce cost and administrative savings and will provide the best value to the agency/taxpayers of McKinney ISD.

It is recommended: That the Interlocal Agreement between Region 18 Education Service Center and McKinney ISD for instructional supplies and materials be approved and adopted as recommended.
