Immigration Enforcement on District Property

{House Bill 4079 (2026) requires districts to “adopt a policy for providing notice when a federal immigration authority is confirmed to have entered school property for immigration enforcement.” This policy must be “consistent with applicable model policies published by the Attorney General as provided by ORS 180.810.”}

The district complies with state and federal law, including Oregon Revised Statute (ORS) 180.805 and ORS 181.826, and this policy and accompanying administrative regulations KNA-AR(1) – Interactions with Immigration Enforcement and KNA-AR(2) – Federal Immigration Enforcement Request Log when responding to requests from federal immigration authorities regarding immigration enforcement. [Absent a judicially authorized subpoena, warrant or court order, district staff must not allow federal immigration authorities access to the district’s records or facilities not open to the public for the purposes of immigration enforcement and must verify the validity of any subpoena, warrant or court order involving immigration enforcement presented to them by federal immigration authorities to ensure it is judicially authorized. Examples of judicial and administrative warrants and subpoenas can be found in the Oregon Attorney General’s Model Public School Policies.¹ The superintendent or designee must review and approve any response to a request involving immigration enforcement. The district will provide ongoing training to designated staff to ensure compliance with this policy.]

This policy will be made available in the student handbook and on the district’s website². [The district will ensure a copy of the Oregon Attorney General’s Model Public School Policies³ and this policy and accompanying administrative regulations are provided to staff.]
