RE: Donations

Jonah Energy recently awarded Henry B. Gonzalez Elementary a generous donation of 125 backpacks filled with essential school supplies, valued at \$1,060.00, through its community support program.

Our Bobcat students will greatly benefit from this thoughtful donation as they begin the new school year. These backpacks and school supplies will provide students with essential resources to help them feel prepared, confident, and ready to learn.

We are sincerely grateful to Jonah Energy for supporting our students and investing in their educational success. Their generosity will make a meaningful difference for our Bobcat students and families.

Thank you, Jonah Energy, for helping our students start the school year prepared for success!

I am respectfully submitting this request for your review and consideration for placement as an item on the next Board agenda.
